

Metallic Floss Shoelaces

Skill level: Easy

Featuring: J. & P. Coats® Metallic Embroidery Floss

Designer: Iliana McGrath

Technique:	Craft
Brand:	J. & P. Coats®
Crafting time:	An Evening

Shoelaces are designed for lace up shoes similar to the *Chuck Taylor* style.

Supplies

2 skeins of J. & P. Coats® Metallic Embroidery Floss
100" Ribbon (polyester)
Scissors
Tape
Lighter

Instructions (for each shoelace)

1. Cut a skein of floss into six 45" segments. At each end, line the six segments together and tape to create one multi-strand segment.
2. Cut a 50" length of ribbon and run the edge quickly over the flame of the lighter to seal the edges and limit fraying.
3. Thread both the ribbon and the floss through the sneaker. Knot the ends of the floss to keep from coming out of the sneaker eyelets.
